Dear Parent/Carer/Student,

To support students with their decision making around post-16 options I have included information referring to several open days below. I would also like to remind parents and students about the Queensbury 6th form open evening Thursday 14th October, starting at 6.30pm in the West Hall.

Included in the information below are all the College Open Day dates for this academic year. These have all been taken from each college's website and are subject to change. Please always check with the college before attending to ensure the dates have remained unchanged and to register your attendance with them.

If you require any further information regarding colleges, help finding a course or help filling in a college application form, please get in touch with Mrs Kemp who will be able to book you an appointment with a Careers Guidance Specialist.
