Dear Parent/ Carer

Can all parents/ carers please login to Edulink (with your own details and not your child's) to check the following tabs: -

Contacts, Account info and Medical info.

These contain the current information we hold for your child on our system. Each person with parental responsibility will need to log in, with their own details, and check these are correct. For those parents who do not reside with the child this is vital for you to access reports.

This is our annual update and must be completed to verify we hold the correct details for each child.

If you do not know your Edulink login details please email **admin@queensbury.anthemtrust.uk**

If changes need to be made to your child's details or you have any queries please email **admin@queensbury.anthemtrust.uk**

Many thanks in advance

Queensbury Academy
