Dear Parents/Carers

There is currently much speculation about when students will return to schools and we are keeping a close eye on Government guidance changes. With upcoming announcements on this topic due we are already planning how we might open the Academy to at least some year groups. Our biggest priority with this, I can assure you, will be the safety of students and staff. When we do get further notice about this we will contact you to inform you of how we will approach the guidance according to our context.

The Academy has continued to be open to the children of key work families and families who need extra support so thank you to the staff who have been coming in to support these students. In addition to this we have continued to recruit staff and are now fully staffed for September where we will be working very hard to ensure all of our students get back on track. We have also set up an alumni for past students to keep in contact with us so we can hear about their successes and possibly use these to inspire our current students. If you know of any past students then please direct them to the following link which leads to the Alumni section on our website <https://www.queensburyacademy.com/793/alumni>

Finally, I have put together an assembly for all stakeholders to help us reflect on situations past and present which reinforces our CARE values that will get us through this time. Please find a link to this on our website: <https://www.queensburyacademy.com/558/announcements/announcement/59/queensbury-assembly-video>

Kind regards and best wishes,

Mark Little
Principal
