16th November 2021

Dear Parent/Carer,

Cars on site

Please note that cars of parents/carers will not be allowed to drive on to the Queensbury site with immediate effect, unless driven by someone with a disability, in this case please call and arrange to be let in by reception staff.

If you are collecting your child for an appointment or because they are unwell, please park at the front of the Academy beyond the gates where there is parking available. Please ensure you do not block any of our neighbours' driveways. Once parked safely walk into Central reception to sign your child out.

Students on site before 8.30am

Students are not permitted on site before 8.30am unless they are taking part in an organised club or are having breakfast served in the East canteen. Breakfast is available no earlier than 8am when there will be supervision provided. Those attending breakfast club must enter through the East door only.

These are both health and safety measures to prevent accidents either due to, too many cars maneuvering in the car park whilst pedestrians are present or students having an accident on site whilst unsupervised and before any first aid staff are available.

Thank you in advance for your cooperation with these changes in policy

Yours sincerely,

Kim Morena
