Dear Parents, Carers

I hope this letter finds you all healthy and well. As you know, we have been setting work online for students to complete during the Covid-19 lockdown. We fully understand that for some students this poses a variety of challenges and may cause some anxiety and we have therefore been looking at a variety of ways to offer support. To further help students with the work given, we would like to set up the opportunity for students to chat live with their subject teachers. As most students and tutors have already been using Teams to stay in touch over this period, we will be using Teams to support students with their learning.

Starting from 29 June there will be one interactive Teams Online Learning Support session per subject per week, where class teachers are online to support students and interact with their classes. The timetable below shows the times that different subjects are available. If your child needs extra help to complete their work, they should log into Teams, and post any questions in the chat section of their subject classes. The relevant teacher can then answer their questions. Please speak to your child about which subjects they may need support with and show them the schedule below.

### **Online Learning Support Session Timetable**

<b>Online Learning Support Session Timetable</b>			
	9.00 - 11.00	11.00 - 1.00	1.00 - 3.00
Monday	Maths	Computer Science	Drama
Tuesday	Science	French / German	Business Studies
Wednesday	English	Art	Music / Music Tech
Thursday	History	Food / RM / Textiles	Media Studies
Friday	Geography	PE	RE / Life Skills

For the simple reasons of safeguarding there are some basic rules that need to be followed. These are in place to safeguard everybody during the session. If you allow your child to join the Teams Online Learning Support Session, you are giving consent and are taking responsibility for ensuring the rules are followed. If the teachers leading the session think the session is not safe for pupils, it will be stopped immediately.

- Ensure no home-based recordings / photos / screen shots are made of the session.
- Only use Chat to ask and respond to questions related to your schoolwork and not to have a chat or personal conversation with your friends.

Thank you for your support with helping students engage with the work being set. We hope that this additional contact will help put your child at ease and support them in being able to work from home. We know that this is not always easy and would urge you to contact us if there is anything more we can do to support you.

Yours sincerely

Mr Raw  
*Vice Principal*
