Dear Parents and Carers

I am sure many of you will have heard last night's announcement where the Prime Minister stated it was the Government's **'ambition that secondary pupils facing exams next year will get some time with their teachers before the summer holidays.'** We infer this to mean Years 10 and 12 students with those in Years 7, 8 and 9 not returning to the Academy till September at the earliest.

We are still yet to have any further details of what 'time with their teachers' means or the logistics of putting this into place. Our priority though, is safety for students and staff in planning for students returning to the Academy; we will do everything we can to ensure this safety is not compromised. There will be no changes to the current school situation until we receive further information and guidance. To our knowledge, the key worker definition has not changed since the Government's first publication.

All the arrangements for home learning will continue using the timetable attached. Each day your son/daughter should identify what subjects they have on their timetable and then just do the work for those subjects that are set on Edulink. Some days we understand they will be able to do all the work and some days only part of it - they just need to do their best allowing time to exercise. If they get stuck or are not sure what to do, then they should contact their teacher using the email addresses document attached. Pre-prepared work is currently being set using best practice according to educational research to offer our students an enriching and supportive learning experience remotely. Thus far, we have decided to take this approach rather than using live lessons which can make safeguarding those involved more difficult. We have continued to be really impressed with how well the students have been engaging with the work and how well they have stayed in contact with their teachers.

We want to thank you for your support at this difficult time. Stay safe and well.

Mark Little
Principal

Home Learning Timetable

Years 7 & 8

	Monday	Tuesday	Wednesday	Thursday	Friday
Lesson 1	English	Maths	English	Maths	Art
Lesson 2	Science	History	Science	Geography	Computer Science
Lesson 3	Drama /Dance	French	Technology	German	Life Skills
Lesson 4		Ethics	Music	PE	

Year 9 & 10

	Monday	Tuesday	Wednesday	Thursday	Friday
